Project Description

This technical assistance (TA) will focus on (i) identifying critical structural constraints to finance sector development and thus private sector growth in Pacific DMCs; (ii) supporting development and processing of new projects that promote financial inclusion, investments, and private sector development; and (iii) facilitating effective engagement by ADB in these sectors. Under ADB's Pacific Approach, Pacific region operations will enable value creation by supporting private sector growth and investment through legislative and financial reforms, private sector operations, and the promotion of financial inclusion. The TA is included in the regional operations business plan, 2017–2019 for the Pacific and projects developed under this TA will be aligned with national development plans of the Pacific DMCs as well as existing work in this area.

ACCOUNTABILITY MECHANISM OF ADB

The Accountability Mechanism is an independent complaint mechanism and fact-finding body for people who believe they are likely to be, or have been, adversely affected by an Asian Development Bank-financed project. If you submit a complaint to the Accountability Mechanism, they may investigate to assess whether the Asian Development Bank is following its own policies and procedures for preventing harm to people or the environment. You can learn more about the Accountability Mechanism and how to file a complaint at: http://www.adb.org/site/accountability-mechanism/main
