## Project Description

According to the Bank's website, this project will provide financing to the Government of Uzbekistan in order to develop the nation's solid waste management sector by improving access to solid waste management services for people outside of major cities.

This project has been rated as Category B for the Environment, Category B for Involuntary Resettlement, and Category C for Indigenous Peoples.

## Early Warning System Project Analysis

The ADB categorized the project risks as follows:
Environment - B;
Involuntary Resettlement - C;
Indigenous Peoples - C.

## Investment Description

- Asian Development Bank (ADB)

## Contact Information

*No contact information available at time of writing.*

### ACCOUNTABILITY MECHANISM OF ADB

The Accountability Mechanism is an independent complaint mechanism and fact-finding body for people who believe they are likely to be, or have been, adversely affected by an Asian Development Bank-financed project. If you submit a complaint to the Accountability Mechanism, they may investigate to assess whether the Asian Development Bank is following its own policies and procedures for preventing harm to people or the environment. You can learn more about the Accountability Mechanism and how to file a complaint at: http://www.adb.org/site/accountability-mechanism/main
