Project Description

According to the bank website, |Subprogram 3 supports enhanced national frameworks and public financial management (PFM), improved subnational health system management, and strengthened health service delivery components. It will enable the Government of PNG to protect core funding for essential health and other basic services, and adequately resource the government's immediate coronavirus disease (COVID-19) response during a period of sharp fiscal tightening. Policy reforms will improve the effective and efficient use of available public resources in the health sector and beyond."

ACCESS TO INFORMATION

You can submit an information request for project information at: https://www.adb.org/forms/request-information-form

ADB has a two-stage appeals process for requesters who believe that ADB has denied their request for information in violation of its Access to Information Policy. You can learn more about filing an appeal at: https://www.adb.org/site/disclosure/appeals

ACCOUNTABILITY MECHANISM OF ADB

The Accountability Mechanism is an independent complaint mechanism and fact-finding body for people who believe they are likely to be, or have been, adversely affected by an Asian Development Bank-financed project. If you submit a complaint to the Accountability Mechanism, they may investigate to assess whether the Asian Development Bank is following its own policies and procedures for preventing harm to people or the environment. You can learn more about the Accountability Mechanism and how to file a complaint at: http://www.adb.org/site/accountability-mechanism/main.
