Project Description

According to ADB documents, the project will finance the establishment of holistic wholesale markets for horticulture to help increase the volume of high quality horticulture products to be marketed, particularly during the off-season period. It supports the government's strategy by improving and modernizing value chain infrastructures, which will in turn increase productivity, improve processing and storage capacity, and reduce post-harvest losses. It will promote long-term economic growth and enhance profitability for farmers and agribusiness enterprises.

ACCOUNTABILITY MECHANISM OF ADB

The Accountability Mechanism is an independent complaint mechanism and fact-finding body for people who believe they are likely to be, or have been, adversely affected by an Asian Development Bank-financed project. If you submit a complaint to the Accountability Mechanism, they may investigate to assess whether the Asian Development Bank is following its own policies and procedures for preventing harm to people or the environment. You can learn more about the Accountability Mechanism and how to file a complaint at: <http://www.adb.org/site/accountability-mechanism/main>
