### **Project Description**

According to the Bank's website, this project finances support for the Government of Tajikistan with reforms to create a more stable financial system, enhance access to financial services and improve fiscal management. This will be achieved by (i) enhancing banking sector stability; (ii) improving the enabling environment for the financial sector; and (iii) strengthen public financial management

## Investment Description

- Asian Development Bank (ADB)

### Contact Information

*No contact information available at time of writing.*

### ACCOUNTABILITY MECHANISM OF ADB

The Accountability Mechanism is an independent complaint mechanism and fact-finding body for people who believe they are likely to be, or have been, adversely affected by an Asian Development Bank-financed project. If you submit a complaint to the Accountability Mechanism, they may investigate to assess whether the Asian Development Bank is following its own policies and procedures for preventing harm to people or the environment. You can learn more about the Accountability Mechanism and how to file a complaint at: <http://www.adb.org/site/accountability-mechanism/main>
