According to bank documents, the knowledge and support technical assistance (TA) will support the Government of Mongolia in improving prevention, screening, diagnosis, treatment, and control of viral hepatitis. The TA is aligned with the following impact: health and quality of life of people of Mongolia improved. The TA will have the following outcome: viral hepatitis screening, diagnosis, and treatment improved.

## Investment Description

- Asian Development Bank (ADB)

### Contact Information

No contact information provided at the time of disclosure.

### ACCOUNTABILITY MECHANISM OF ADB

The Accountability Mechanism is an independent complaint mechanism and fact-finding body for people who believe they are likely to be, or have been, adversely affected by an Asian Development Bank-financed project. If you submit a complaint to the Accountability Mechanism, they may investigate to assess whether the Asian Development Bank is following its own policies and procedures for preventing harm to people or the environment. You can learn more about the Accountability Mechanism and how to file a complaint at: http://www.adb.org/site/accountability-mechanism/main
