Strengthening Regional Health Cooperation in the Greater Mekong Subregion

#### **Project Description**

According to ADB website, the TA addresses the need for improved Greater Mekong Subregion (GMS) regional health cooperation. The TA will provide a platform for a more coherent policy environment at both national and regional levels, which is supportive of cross-border collaboration and targeting vulnerable populations. The TA will also produce innovative ideas for a regional portfolio.

#### **ACCOUNTABILITY MECHANISM OF ADB**

The Accountability Mechanism is an independent complaint mechanism and fact-finding body for people who believe they are likely to be, or have been, adversely affected by an Asian Development Bank-financed project. If you submit a complaint to the Accountability Mechanism, they may investigate to assess whether the Asian Development Bank is following its own policies and procedures for preventing harm to people or the environment. You can learn more about the Accountability Mechanism and how to file a complaint at: http://www.adb.org/site/accountability-mechanism/main
