Investment Type(s)	Loan
Investment Amount (USD)	\$ 200.00 million
Loan Amount (USD)	\$ 200.00 million

Project Description

According to the bank website, "the project will rehabilitate and upgrade about 230 kilometers of state highways in Bihar state and improve road transport connectivity in line with the state's road development plan for 2015-2035. It will involve (i) upgrading state highways to standard two-lane width with paved shoulders; and (ii) reconstructing, widening, and strengthening culverts and bridges. The project will include building institutional capacity in the state for road design and maintenance and incorporating appropriate new technologies in the state's road subsector."

Investment Description

- Asian Development Bank (ADB)

ACCOUNTABILITY MECHANISM OF ADB

The Accountability Mechanism is an independent complaint mechanism and fact-finding body for people who believe they are likely to be, or have been, adversely affected by an Asian Development Bank-financed project. If you submit a complaint to the Accountability Mechanism, they may investigate to assess whether the Asian Development Bank is following its own policies and procedures for preventing harm to people or the environment. You can learn more about the Accountability Mechanism and how to file a complaint at: <http://www.adb.org/site/accountability-mechanism/main>
