Project Description

According to the bank website, "the proposed knowledge and support technical assistance (TA) from Asian Development Bank (ADB) will support the operationalization of the EXIM Bank of Pakistan (EXIMBP) which will provide trade financing facilities to help local exporters get access to much needed financing to competitively trade internationally. Overtime, this will help the economy increase and diversify its export base and promote long-term economic growth. The TA will build on the outputs by International Financial Consulting under TA-8832 which produced a draft operational roadmap for EXIMBP."

ACCOUNTABILITY MECHANISM OF ADB

The Accountability Mechanism is an independent complaint mechanism and fact-finding body for people who believe they are likely to be, or have been, adversely affected by an Asian Development Bank-financed project. If you submit a complaint to the Accountability Mechanism, they may investigate to assess whether the Asian Development Bank is following its own policies and procedures for preventing harm to people or the environment. You can learn more about the Accountability Mechanism and how to file a complaint at: http://www.adb.org/site/accountability-mechanism/main
