Project Description

According to ADB website, the TA will support the implementation of the pilot cross-border economic corridor around Almaty and Bishkek within the Central Asia Regional Economic Cooperation (CAREC) program. The Almaty Bishkek Economic Corridor (ABEC, the corridor) follows a multi-sector approach to create one economic space without barriers. ABEC will allow businesses to specialize more, operate at a larger scale and achieve greater diversification and competitiveness with the purpose of exporting goods and services outside the region.

Investment Description

ACCOUNTABILITY MECHANISM OF ADB

The Accountability Mechanism is an independent complaint mechanism and fact-finding body for people who believe they are likely to be, or have been, adversely affected by an Asian Development Bank-financed project. If you submit a complaint to the Accountability Mechanism, they may investigate to assess whether the Asian Development Bank is following its own policies and procedures for preventing harm to people or the environment. You can learn more about the Accountability Mechanism and how to file a complaint at: <http://www.adb.org/site/accountability-mechanism/main>
