Project Description

As stated by the ADB, the project will improve the efficiency, safety, and sustainability of the road network in central Kazakhstan. It will upgrade road infrastructure, improve service delivery, and promote national and international transport and trade. The project will (i) finance the reconstruction of a strategic, 208 kilometers (km) highway section between Kyzylorda and Zhezkazgan in the Karaganda province; and (ii) strengthen institutional capacity of KazAvtoZhol National Joint Stock Company (KazAvtoZhol) in road safety, procurement, contract management, and environmental management.

Early Warning System Project Analysis

The ADB categorized the project E&S risks as follows:

Environment B

Involuntary Resettlement B

Indigenous Peoples C

ACCESS TO INFORMATION

You can submit an information request for project information at: <https://www.adb.org/forms/request-information-form>

ADB has a two-stage appeals process for requesters who believe that ADB has denied their request for information in violation of its Access to Information Policy. You can learn more about filing an appeal at: <https://www.adb.org/site/disclosure/appeals>

ACCOUNTABILITY MECHANISM OF ADB

The Accountability Mechanism is an independent complaint mechanism and fact-finding body for people who believe they are likely to be, or have been, adversely affected by an Asian Development Bank-financed project. If you submit a complaint to the Accountability Mechanism, they may investigate to assess whether the Asian Development Bank is following its own policies and procedures for preventing harm to people or the environment. You can learn more about the Accountability Mechanism and how to file a complaint at: <http://www.adb.org/site/accountability-mechanism/main>.
