Financing Agrochemical Reduction and Management in Agri-Food Value
Chains

Quick Facts

Countries	Vietnam
Financial Institutions	Asian Development Bank (ADB)
Status	Approved
Bank Risk Rating	U
Voting Date	2024-07-10
Borrower	Government of Vietnam - Ministry of Agriculture and Rural Development
Sectors	Agriculture and Forestry, Technical Cooperation
Investment Type(s)	Grant
Investment Amount (USD)	\$ 7.50 million
Project Cost (USD)	\$ 8.05 million

Project Description

According to the Bank's website, the technical assistance (TA) will support the Government of Viet Nam in green financing for agrochemical reduction and management in the agri-food value chains in five selected provinces in Viet Nam through (i) strengthening policy and regulatory coherence and capacity to manage and finance agrochemical reduction; (ii) enabling and catalyzing finance and investments for improved agrochemical reduction and agricultural plastics management; and (iii) enhancing agricultural management, monitoring systems, capacity and knowledge in agrochemicals management and natural capital accounting and assessment.

The TA outputs are (i) Output 1: Policy and regulatory coherence and capacity to manage and finance agrochemicals reduction strengthened; (ii) Output 2: Agrochemical reduction and agricultural plastics management improved through enabling and catalyzing finance and investments; and (iii) Output 3: Agricultural management and monitoring system and capacity and knowledge in agrochemical management and natural capital accounting and assessment enhanced.

Investment Description

- Asian Development Bank (ADB)

The TA financing amount is \$7,500,000 which will be financed on a grant basis by the Global Environment Facility (GEF); and partially administered by ADB.

The government will provide counterpart support to complement the TA activities. The support will include a cash contribution equivalent to \$550,000 and in-kind contribution equivalent to \$150,000, which will include counterpart staff, office facilities and meeting rooms, provision of available government data sets and reports for the TA consultants' use, and access to forums and/or networks, and other contributions.

Contact Information

No contacts available at the time of disclosure.

ACCESS TO INFORMATION

You can submit an information request for project information at: <https://www.adb.org/forms/request-information-form>

ADB has a two-stage appeals process for requesters who believe that ADB has denied their request for information in violation of its Access to Information Policy. You can learn more about filing an appeal at: <https://www.adb.org/site/disclosure/appeals>

ACCOUNTABILITY MECHANISM OF ADB

The Accountability Mechanism is an independent complaint mechanism and fact-finding body for people who believe they are likely to be, or have been, adversely affected by an Asian Development Bank-financed project. If you submit a complaint to the Accountability Mechanism, they may investigate to assess whether the Asian Development Bank is following its own policies and procedures for preventing harm to people or the environment. You can learn more about the Accountability Mechanism and how to file a complaint at: <http://www.adb.org/site/accountability-mechanism/main>.
