Uttarakhand Transmission Strengthening & Distribution Project

Early Warning System

Uttarakhand Transmission Strengthening & Distribution Project

ADB-51308-008

Quick Facts

Countries	India
Specific Location	Uttarakhand
Financial Institutions	Asian Development Bank (ADB)
Status	Approved
Bank Risk Rating	B
Voting Date	2023-12-01
Borrower	Government of India
Sectors	Energy, Hydropower
Investment Type(s)	Loan
Investment Amount (USD)	$ 200.00 million

Project Description

According to bank document, "The construction of the extra high voltage transmission investments between Khandukhal and Rampura will provide additional transmission capacity from the power generated by the upcoming hydropower plants in Alakananda Valley supporting the evacuation of clean energy generated to load centers within the state and outside. The modernization of existing distribution infrastructure by adopting underground cabling will allow UPCL to expand their distribution network and optimize their day to day operations by adopting new technology, improving customer service, public safety, and promoting energy efficiency and demand side management."

Investment Description

- Asian Development Bank (ADB)

ACCOUNTABILITY MECHANISM OF ADB

The Accountability Mechanism is an independent complaint mechanism and fact-finding body for people who believe they are likely to be, or have been, adversely affected by an Asian Development Bank-financed project. If you submit a complaint to the Accountability Mechanism, they may investigate to assess whether the Asian Development Bank is following its own policies and procedures for preventing harm to people or the environment. You can learn more about the Accountability Mechanism and how to file a complaint at: http://www.adb.org/site/accountability-mechanism/main
