### **Project Description**

According to the bank website, "the proposed project is designed to improve transport connectivity in Madhya Pradesh by rehabilitating and upgrading about 2,200 kilometers of state highways and major district roads. It will involve upgrading newly declared state highways to two-lane width, and single-lane major district roads to intermediate lanes. The project will be implemented under the hybrid annuity model (HAM), which is a form of public-private partnership."

## ACCOUNTABILITY MECHANISM OF ADB

The Accountability Mechanism is an independent complaint mechanism and fact-finding body for people who believe they are likely to be, or have been, adversely affected by an Asian Development Bank-financed project. If you submit a complaint to the Accountability Mechanism, they may investigate to assess whether the Asian Development Bank is following its own policies and procedures for preventing harm to people or the environment. You can learn more about the Accountability Mechanism and how to file a complaint at: <http://www.adb.org/site/accountability-mechanism/main>
