Improving Health Care Financing for Universal Health Coverage

Project Description

According to ADB website, the proposed knowledge and support technical assistance (TA) will support development of more efficient health insurance system in Mongolia through assessment, development of more effective model, policy reforms, and institutional development. This is to shift state funding from financing budget lines (input-based) to purchasing services (output-based), to allow for more equitable health care system and achieve universal health coverage under the Sustainable Development Goals.

ACCOUNTABILITY MECHANISM OF ADB

The Accountability Mechanism is an independent complaint mechanism and fact-finding body for people who believe they are likely to be, or have been, adversely affected by an Asian Development Bank-financed project. If you submit a complaint to the Accountability Mechanism, they may investigate to assess whether the Asian Development Bank is following its own policies and procedures for preventing harm to people or the environment. You can learn more about the Accountability Mechanism and how to file a complaint at: http://www.adb.org/site/accountability-mechanism/main
