Project Description

According to the bank document, the proposed knowledge and support technical assistance (TA) will assist Qinghai Province to formulate sustainable regional tourism strategies for the province to be integrated into the Belt and Road Initiative's economic opportunities by capitalizing on the province's unique ecological and cultural assets.

The PRC Government has requested the TA from the Asian Development Bank (ADB) as part of its effort to support the lesser-developed northwestern regions of the country to promote green and inclusive economic growth. The TA is included in ADB's country operations business plan for the PRC, 2018 2020.

The Government of the PRC has requested the TA from the Asian Development Bank (ADB) as part of its effort to support the lesser-developed northwestern regions of the country to promote green and inclusive economic growth.

ACCOUNTABILITY MECHANISM OF ADB

The Accountability Mechanism is an independent complaint mechanism and fact-finding body for people who believe they are likely to be, or have been, adversely affected by an Asian Development Bank-financed project. If you submit a complaint to the Accountability Mechanism, they may investigate to assess whether the Asian Development Bank is following its own policies and procedures for preventing harm to people or the environment. You can learn more about the Accountability Mechanism and how to file a complaint at: http://www.adb.org/site/accountability-mechanism/main
