Project Description

According to bank documents, the technical assistance (TA) seeks to support the Government of Mongolia to enhance the nonbank financial system's capacity for providing financial access through supporting the resolution, rehabilitation, and development of the savings and credit cooperative (SCC) sector. Further, the TA is aligned with the following impact: a stable, sustainable, and balanced finance sector promoted. The TA will have the following outcome: nonbank finance sector contribution to the financial system expanded.

Investment Description

- Asian Development Bank (ADB)

ACCOUNTABILITY MECHANISM OF ADB

The Accountability Mechanism is an independent complaint mechanism and fact-finding body for people who believe they are likely to be, or have been, adversely affected by an Asian Development Bank-financed project. If you submit a complaint to the Accountability Mechanism, they may investigate to assess whether the Asian Development Bank is following its own policies and procedures for preventing harm to people or the environment. You can learn more about the Accountability Mechanism and how to file a complaint at: <http://www.adb.org/site/accountability-mechanism/main>
