Project Description

According to ADB website, the program will support the Government of Mongolia's program of reforms to develop research universities and strengthen university research (National Program on Research Universities, 2018-2022). It aims to enhance research and development (R&D) capacity of clusters of research universities by (i) establishing governance and regulatory mechanisms for developing research universities and strengthening university research; (ii) setting up diversified funding mechanisms for research universities, university research, and graduate students; and (iii) upgrading clusters of research universities.

Investment Description

- Asian Development Bank (ADB)

ACCOUNTABILITY MECHANISM OF ADB

The Accountability Mechanism is an independent complaint mechanism and fact-finding body for people who believe they are likely to be, or have been, adversely affected by an Asian Development Bank-financed project. If you submit a complaint to the Accountability Mechanism, they may investigate to assess whether the Asian Development Bank is following its own policies and procedures for preventing harm to people or the environment. You can learn more about the Accountability Mechanism and how to file a complaint at: <http://www.adb.org/site/accountability-mechanism/main>
