### Project Description

According to Bank documents, this project provides technical assistance to support the implementation of the Central Asia Regional Economic Cooperation 2030 strategy which seeks to deepen cooperation in transport, energy, trade and economic corridor development, and expand into new areas. New areas of expansion include:

- Economic and financial stability
- Trade, tourism, and economic corridors
- Infrastructure and economic connectivity
- Agriculture and water
- Human development

This technical assistance will identify and implement regional initiatives in these areas of cooperation, facilitate policy dialogue and knowledge sharing across CAREC countries, increase coordination between CAREC stakeholders, and improve monitoring and evaluation mechanisms.

## ACCOUNTABILITY MECHANISM OF ADB

The Accountability Mechanism is an independent complaint mechanism and fact-finding body for people who believe they are likely to be, or have been, adversely affected by an Asian Development Bank-financed project. If you submit a complaint to the Accountability Mechanism, they may investigate to assess whether the Asian Development Bank is following its own policies and procedures for preventing harm to people or the environment. You can learn more about the Accountability Mechanism and how to file a complaint at: <http://www.adb.org/site/accountability-mechanism/main>
