Project Description

According to the bank document, "A total of 48 person-months of consultancy services will be required intermittently (Table 2). International and national consultants will be engaged individually or as a firm using the quality- and cost-based selection method with a standard quality cost ratio of 90:10. Consulting services will be selected and engaged by ADB in accordance with the ADB Procurement Policy (2017, as amended from time to time) and its associated project administration instructions and/or staff instructions. Output-based, lump-sum consulting contracts will be preferred."

No further information available at the time of writing.

ACCOUNTABILITY MECHANISM OF ADB

The Accountability Mechanism is an independent complaint mechanism and fact-finding body for people who believe they are likely to be, or have been, adversely affected by an Asian Development Bank-financed project. If you submit a complaint to the Accountability Mechanism, they may investigate to assess whether the Asian Development Bank is following its own policies and procedures for preventing harm to people or the environment. You can learn more about the Accountability Mechanism and how to file a complaint at: <http://www.adb.org/site/accountability-mechanism/main>
