## Project Description

According to bank documents, The knowledge and support technical assistance (TA) will fund a feasibility study to further develop the concept and articulate the business case for establishing a multilateral trade credit and investment (re-) guarantee agency (TCIGA). The proposed TCIGA would assist in promoting foreign direct investment (FDI) and sustainable economic growth in the Central and West Asia (CWA), East Asia, and South Asia subregions through intra-regional and interregional trade.

## ACCOUNTABILITY MECHANISM OF ADB

The Accountability Mechanism is an independent complaint mechanism and fact-finding body for people who believe they are likely to be, or have been, adversely affected by an Asian Development Bank-financed project. If you submit a complaint to the Accountability Mechanism, they may investigate to assess whether the Asian Development Bank is following its own policies and procedures for preventing harm to people or the environment. You can learn more about the Accountability Mechanism and how to file a complaint at: <http://www.adb.org/site/accountability-mechanism/main>
