Project Description

According to the bank document, the proposed Southeast Asia Transport Project Preparatory Facility Phase 2, a regional transaction technical assistance facility (TA Facility), will provide project preparation support and capacity building for a series of ensuing investment projects in the transport sector in Southeast Asian developing member countries (DMCs), initially comprising the following nine projects:

(i) Railway Development Project (Indonesia);

(ii) Railway Modernization Project (Myanmar);

(iii) Additional Financing to Greater Mekong Subregion (GMS) Highway Modernization Project (Myanmar);

(iv) Davao Public Transport Modernization Project (Philippines);

(v) Additional Financing to GMS Highway Expansion Phase 2 Project (Thailand);

(vi) Road Network Sustainability Project (Timor-Leste); (vii) Dili Airport Upgrading Project (Timor-Leste);

(viii) Public Transport Project (Timor-Leste); and

(ix) Ho Chi Minh City Urban Mass Rapid Transit Line 2 Project (Viet Nam).

The TA Facility is listed in the respective Country Operations Business Plans (COBPs) 2020-2022 for Indonesia, Myanmar, the Philippines, Thailand, Timor-Leste, and Viet Nam.

There is no further information being disclosed at this stage of the project

ACCOUNTABILITY MECHANISM OF ADB

The Accountability Mechanism is an independent complaint mechanism and fact-finding body for people who believe they are likely to be, or have been, adversely affected by an Asian Development Bank-financed project. If you submit a complaint to the Accountability Mechanism, they may investigate to assess whether the Asian Development Bank is following its own policies and procedures for preventing harm to people or the environment. You can learn more about the Accountability Mechanism and how to file a complaint at: http://www.adb.org/site/accountability-mechanism/main
