Project Description

This project provides financing to reform state-owned enterprises, improve public expenditure and fiscal management, and develop the finance sector.

According to Bank documents, outputs from this project are expected to include enhanced generation of domestic savings, an operational and comprehensive public-private-partnership (PPP) program, increased access to financial services for small and medium-sized enterprises (SMEs), and enhanced mobilization of private resources for long-term investment.

Investment Description

- Asian Development Bank (ADB)

ACCOUNTABILITY MECHANISM OF ADB

The Accountability Mechanism is an independent complaint mechanism and fact-finding body for people who believe they are likely to be, or have been, adversely affected by an Asian Development Bank-financed project. If you submit a complaint to the Accountability Mechanism, they may investigate to assess whether the Asian Development Bank is following its own policies and procedures for preventing harm to people or the environment. You can learn more about the Accountability Mechanism and how to file a complaint at: <http://www.adb.org/site/accountability-mechanism/main>
