Project Description

According to ADB website, the project will support the construction of the 54.6-kilometer (km) Blumentritt-Calamba section of the North-South Commuter Railway connecting Metro Manila and Calamba, located in Laguna Province around 50 km south of Manila. The Project will provide improved connectivity in the public transport network by connecting with all existing LRT/MRT-lines in Metro Manila.

The new railway line will provide affordable, reliable and safe public transport, reduce greenhouse gas emissions and cut the journey time by half to less than one hour. The project will be cofinanced by Japan International Cooperation Agency (JICA).

ACCOUNTABILITY MECHANISM OF ADB

The Accountability Mechanism is an independent complaint mechanism and fact-finding body for people who believe they are likely to be, or have been, adversely affected by an Asian Development Bank-financed project. If you submit a complaint to the Accountability Mechanism, they may investigate to assess whether the Asian Development Bank is following its own policies and procedures for preventing harm to people or the environment. You can learn more about the Accountability Mechanism and how to file a complaint at: http://www.adb.org/site/accountability-mechanism/main
