## Project Description

According to the bank's website, "...The investment project will develop Lines 3 and 4, connecting the central area of Chennai to key points in the south and west of the city. The Chennai Metro Rail Ltd. (CMRL), mandated to implement the Chennai Metro, has requested financial assistance from ADB for the development of the elevated section from Sholinganallur to SIPCOT (10.13 km) of line 3, and the underground section between Lighthouse and Meenakshi College (10.0 km) of line 4. Through an attached technical assistance, the project will strengthen CMRL's capacity in non-farebox revenue generation, transit-oriented development, and first- and last-mile connectivity enhancement.

## ACCOUNTABILITY MECHANISM OF ADB

The Accountability Mechanism is an independent complaint mechanism and fact-finding body for people who believe they are likely to be, or have been, adversely affected by an Asian Development Bank-financed project. If you submit a complaint to the Accountability Mechanism, they may investigate to assess whether the Asian Development Bank is following its own policies and procedures for preventing harm to people or the environment. You can learn more about the Accountability Mechanism and how to file a complaint at: http://www.adb.org/site/accountability-mechanism/main
