Project Description

According to the Bank's website, this project provides technical assistance to support the Mongolian National Audit Office (MNAO) to strengthen the Supreme Audit Institution in Mongolia and improve the monitoring of the effective use of public funds. This project aims to improve the capacity of the MNAO to conduct financial, performance and compliance audits by improving the timeliness and quality of audits, enhancing staff capacity, and using technology to improve the efficiency of the audit process.

ACCOUNTABILITY MECHANISM OF ADB

The Accountability Mechanism is an independent complaint mechanism and fact-finding body for people who believe they are likely to be, or have been, adversely affected by an Asian Development Bank-financed project. If you submit a complaint to the Accountability Mechanism, they may investigate to assess whether the Asian Development Bank is following its own policies and procedures for preventing harm to people or the environment. You can learn more about the Accountability Mechanism and how to file a complaint at: http://www.adb.org/site/accountability-mechanism/main
