Status	Proposed
Bank Risk Rating	A
Borrower	Government of Afghanistan
Sectors	Transport
Investment Type(s)	Grant
Investment Amount (USD)	$ 63.00 million
Grant Amount (USD)	$ 63.00 million

Project Description

According to the bank website, "the proposed project will finance the construction of 85 kilometer (km) of road section in southeastern Afghanistan from Zeyart Haji (Sapary) to Mimla (Jalalabad) which is the middle section of the Kabul to Jalalabad alternative road and among the nation's strategic economic corridors the lifeline of Afghanistan export and import through Karachi, Pakistan. The road section is also part of the key corridors under the Central Asia Regional Economic Cooperation (CAREC) Program. This is the second attempt to complete this road section and will be using the fragile and conflict-affected situation (FCAS) approach by providing opportunities for greater participation of national contractors and consultants, facilitating community engagement through community development programs, and flexible security provision to the contractors."

Investment Description

- Asian Development Bank (ADB)

ACCOUNTABILITY MECHANISM OF ADB

The Accountability Mechanism is an independent complaint mechanism and fact-finding body for people who believe they are likely to be, or have been, adversely affected by an Asian Development Bank-financed project. If you submit a complaint to the Accountability Mechanism, they may investigate to assess whether the Asian Development Bank is following its own policies and procedures for preventing harm to people or the environment. You can learn more about the Accountability Mechanism and how to file a complaint at: http://www.adb.org/site/accountability-mechanism/main
