Preparing the Punjab Agriculture Markets Development Project

Project Description

According to the bank website, "The proposed project will finance the development of a modern holistic wholesale agriculture market in Lahore and prepare a master plan for development of wholesale markets in other locations proposed and agreed by PAD. It will complement and enhance the impact of other ongoing government-run as well as other donor-funded projects aimed at improving agriculture value chains."

ACCOUNTABILITY MECHANISM OF ADB

The Accountability Mechanism is an independent complaint mechanism and fact-finding body for people who believe they are likely to be, or have been, adversely affected by an Asian Development Bank-financed project. If you submit a complaint to the Accountability Mechanism, they may investigate to assess whether the Asian Development Bank is following its own policies and procedures for preventing harm to people or the environment. You can learn more about the Accountability Mechanism and how to file a complaint at: http://www.adb.org/site/accountability-mechanism/main
