## Project Description

As stated by the ADB, the project will result in the achievement of high-quality and green development and carbon dioxide emissions peaking in Shanxi Province and Yellow River Ecological Corridor.

Among other support, the project will use high-efficiency heat pumps and biomass boilers for rural clean heating systems, renovate rural buildings, adopt smart water management solutions, develop a smart wetland and carbon asset management platform, and establish low-carbon and climate resilient facilities for older persons.

## Early Warning System Project Analysis

The ADB categorized the risk of the project as follows:

Environment B

Involuntary ResettlementB

Indigenous Peoples C

## Investment Description

- Asian Development Bank (ADB)

Address: Room 2001, 20th Floor, Building A, Shanxi Coling Coal International Trading Entrepreneurship and Innovation Base, Taiyuan, Shanxi Province

## ACCESS TO INFORMATION

You can submit an information request for project information at: <https://www.adb.org/forms/request-information-form>

ADB has a two-stage appeals process for requesters who believe that ADB has denied their request for information in violation of its Access to Information Policy. You can learn more about filing an appeal at: <https://www.adb.org/site/disclosure/appeals>

## ACCOUNTABILITY MECHANISM OF ADB

The Accountability Mechanism is an independent complaint mechanism and fact-finding body for people who believe they are likely to be, or have been, adversely affected by an Asian Development Bank-financed project. If you submit a complaint to the Accountability Mechanism, they may investigate to assess whether the Asian Development Bank is following its own policies and procedures for preventing harm to people or the environment. You can learn more about the Accountability Mechanism and how to file a complaint at: <http://www.adb.org/site/accountability-mechanism/main>.
