Project Description

According to the bank website, the project aims to "improve quality and coverage of health services in Solomon Islands, with particular focus on Honiara. The following output areas are expected to be delivered under the project: (i) quality of services provided by NRH strengthened; (ii) primary and secondary healthcare provision in Honiara upgraded; and (iii) urban healthcare delivery systems improved. The total indicative cost for the project is \$11.0 million, of which ADB is expected to finance (i) a concessional loan of \$5.0 million from ADB's ordinary capital resources, and (ii) a grant not exceeding \$5.0 million from ADB's Special Funds resources (Asian Development Fund). The government will provide support through exemption of taxes and duties and funding towards project costs (including through allocation of staffing for upgraded and/or new health centers), estimated at \$1.0 million."

ACCOUNTABILITY MECHANISM OF ADB

The Accountability Mechanism is an independent complaint mechanism and fact-finding body for people who believe they are likely to be, or have been, adversely affected by an Asian Development Bank-financed project. If you submit a complaint to the Accountability Mechanism, they may investigate to assess whether the Asian Development Bank is following its own policies and procedures for preventing harm to people or the environment. You can learn more about the Accountability Mechanism and how to file a complaint at: <http://www.adb.org/site/accountability-mechanism/main>
