Project Description

According to the bank website, "The TA will help the Government of Niue to address immediate gaps in its financial accounting and reporting and build the foundations for ongoing improvements in public financial management (PFM). The TA will provide policy advice and support government capacity development. The small-scale technical assistance modality has been selected because it aligns with the level of support that is needed and will enable ADB to commence support to Niue without undue delay."

ACCOUNTABILITY MECHANISM OF ADB

The Accountability Mechanism is an independent complaint mechanism and fact-finding body for people who believe they are likely to be, or have been, adversely affected by an Asian Development Bank-financed project. If you submit a complaint to the Accountability Mechanism, they may investigate to assess whether the Asian Development Bank is following its own policies and procedures for preventing harm to people or the environment. You can learn more about the Accountability Mechanism and how to file a complaint at: http://www.adb.org/site/accountability-mechanism/main
