## Project Description

According to the Bank's website, this project finances the rehabilitation and modernisation of the irrigation and drainage networks serving about 23,230 hectares of land in Nakchovan Autonomous Republic of Azerbaijan.

The project will also help strengthen insititutional capacity of the irrigation system management including support to water user associations.

## Investment Description

- Asian Development Bank (ADB)

## Contact Information

*No contact information available at time of writing.*

## ACCOUNTABILITY MECHANISM OF ADB

The Accountability Mechanism is an independent complaint mechanism and fact-finding body for people who believe they are likely to be, or have been, adversely affected by an Asian Development Bank-financed project. If you submit a complaint to the Accountability Mechanism, they may investigate to assess whether the Asian Development Bank is following its own policies and procedures for preventing harm to people or the environment. You can learn more about the Accountability Mechanism and how to file a complaint at: http://www.adb.org/site/accountability-mechanism/main
