## Project Description

According to the bank document, the project investment in VGC Fund II will provide about 20 private companies with growth capital to help fast track their development. In doing so, the fund will help increase the depth and diversity of venture and growth capital business models, encourage entrepreneurship, and support the transition of the PRC economy from one focused on manufacturing to one driven increasingly by innovation and technology.

## ACCOUNTABILITY MECHANISM OF ADB

The Accountability Mechanism is an independent complaint mechanism and fact-finding body for people who believe they are likely to be, or have been, adversely affected by an Asian Development Bank-financed project. If you submit a complaint to the Accountability Mechanism, they may investigate to assess whether the Asian Development Bank is following its own policies and procedures for preventing harm to people or the environment. You can learn more about the Accountability Mechanism and how to file a complaint at: <http://www.adb.org/site/accountability-mechanism/main>
