Project Description

According to the bank's website, "The project will address key issues in Cambodia's four coastal provinces of Koh Kong, Sihanoukville, Kampot and Kep. Outputs will result in the following outcome: enhanced coastal and marine fisheries value chain. Specifically, it will (i) Improved climate-friendly infrastructure and quality control of post-harvest processes; (ii) Improved SMEs access to finance and access to wider markets, and (iii) improve coastal and marine ecosystems and ocean health , and enhance marine tourism assets. The project will be aligned with the following impacts: enhanced contribution of coastal and marine fisheries to food security and socio-economic development of the Cambodian people."

ACCESS TO INFORMATION

You can submit an information request for project information at: https://www.adb.org/forms/request-information-form

ADB has a two-stage appeals process for requesters who believe that ADB has denied their request for information in violation of its Access to Information Policy. You can learn more about filing an appeal at: https://www.adb.org/site/disclosure/appeals

ACCOUNTABILITY MECHANISM OF ADB

The Accountability Mechanism is an independent complaint mechanism and fact-finding body for people who believe they are likely to be, or have been, adversely affected by an Asian Development Bank-financed project. If you submit a complaint to the Accountability Mechanism, they may investigate to assess whether the Asian Development Bank is following its own policies and procedures for preventing harm to people or the environment. You can learn more about the Accountability Mechanism and how to file a complaint at: http://www.adb.org/site/accountability-mechanism/main.
