Project Description

According to the bank website, "The project targets to support FPOs by improving a network of post-harvest marketing and value chains focusing on the horticulture crops identified in the pre-feasibility study. The project design reflects the lessons learned from the previous projects and comprises separate components for public sector infrastructure development and private sector investment support. ADB will add value through an integrated approach addressing capacity development, financial support, and infrastructure development."

ACCOUNTABILITY MECHANISM OF ADB

The Accountability Mechanism is an independent complaint mechanism and fact-finding body for people who believe they are likely to be, or have been, adversely affected by an Asian Development Bank-financed project. If you submit a complaint to the Accountability Mechanism, they may investigate to assess whether the Asian Development Bank is following its own policies and procedures for preventing harm to people or the environment. You can learn more about the Accountability Mechanism and how to file a complaint at: <http://www.adb.org/site/accountability-mechanism/main>
