Project Description

According to the bank document, "the project aligns with the National Medium-term Development Plan, 2020-2024 to reduce regional disparity and inequality. In response to COVID-19, the government has been working to tackle the COVID-19 pandemic and mitigate its social and economic impacts, and the MOV is prioritizing the use of village funds to strengthen health and sanitation measures, social protection, and local economic recovery".

The project aims to reduce regional poverty and inequality with the outcome is about to improve economic opportunities and living standards of villagers in targeted areas. Also, its outputs will be to:

(1) Strengthen village and government capacity for village and intervillage development;

(2) Promote intervillage cooperation and investment; and

(3) Enhance (capacity of project) monitoring and evaluation.

ACCESS TO INFORMATION

You can submit an information request for project information at: https://www.adb.org/forms/request-information-form

ADB has a two-stage appeals process for requesters who believe that ADB has denied their request for information in violation of its Access to Information Policy. You can learn more about filing an appeal at: https://www.adb.org/site/disclosure/appeals

ACCOUNTABILITY MECHANISM OF ADB

The Accountability Mechanism is an independent complaint mechanism and fact-finding body for people who believe they are likely to be, or have been, adversely affected by an Asian Development Bank-financed project. If you submit a complaint to the Accountability Mechanism, they may investigate to assess whether the Asian Development Bank is following its own policies and procedures for preventing harm to people or the environment. You can learn more about the Accountability Mechanism and how to file a complaint at: http://www.adb.org/site/accountability-mechanism/main
