Project Description

No information available at the time of disclosure.

The bank updated the project description:

"The project readiness financing (PRF) grant will prepare the ensuing project - Chuuk Water Supply and Sanitation Project (CWSSP) and facilitate a transition to a smooth project implementation. It will help streamline the initial contract awards and expedite the disbursements. The PRF will finance consulting firms and individual consultants, as well as the equipment, to achieve three outputs: (i) creating an enabling environment for the ensuing investment project of CWSSP; (ii) identifying the investment scope, preparing the project readiness, and procuring key project components; and (iii) developing a smooth transition to implementation by strengthening CPUC's water supply operations..."

ACCOUNTABILITY MECHANISM OF ADB

The Accountability Mechanism is an independent complaint mechanism and fact-finding body for people who believe they are likely to be, or have been, adversely affected by an Asian Development Bank-financed project. If you submit a complaint to the Accountability Mechanism, they may investigate to assess whether the Asian Development Bank is following its own policies and procedures for preventing harm to people or the environment. You can learn more about the Accountability Mechanism and how to file a complaint at: http://www.adb.org/site/accountability-mechanism/main
