Chuuk Water Supply and Sanitation Project (Additional Financing)

Early Warning System

Chuuk Water Supply and Sanitation Project (Additional Financing)

ADB-53284-003

Quick Facts

Countries	Micronesia
Specific Location	Weno Island - Chuuk State
Financial Institutions	Asian Development Bank (ADB)
Status	Approved
Bank Risk Rating	B
Voting Date	2023-12-11
Borrower	Government of the Fed. States of Micronesia - Chuuk Public Utilities Corporation
Sectors	Water and Sanitation
Investment Type(s)	Grant
Investment Amount (USD)	$ 18.00 million
Project Cost (USD)	$ 32.83 million

Project Description

According to the Bank’s website, the ongoing Chuuk Water Supply and Sanitation Project is improving the resilience, inclusiveness, and sustainability of water supply and sanitation services on Weno Island, the administrative and largest urban center of Chuuk State with a population of about 14,000 residing in 2,100 households. It will also help reduce the transmission of hygiene-related and waterborne diseases by increasing access to safe water and sanitation services.

Early Warning System Project Analysis

Environment (category B). The additional financing was screened and classified as category B for environment.

Involuntary resettlement (category B). The additional financing was screened and classified as category B for involuntary resettlement.

Indigenous peoples (category C). The additional financing was classified as category C for indigenous peoples because the additional project activities will not impact any indigenous people’s groups as defined under the Safeguard Policy Statement.

Investment Description

- Asian Development Bank (ADB)

The overall project is estimated to cost $32.83 million (including projects ADB-53284-001 and ADB-53284-002)

The government has requested a grant not exceeding $18.00 million from ADB's Special Funds resources (Asian Development Fund) to help finance the project. The government will finance taxes and duties estimated at $1.19 million through exemptions. The ongoing grant will be frontloaded.

ACCESS TO INFORMATION

You can submit an information request for project information at: https://www.adb.org/forms/request-information-form

ADB has a two-stage appeals process for requesters who believe that ADB has denied their request for information in violation of its Access to Information Policy. You can learn more about filing an appeal at: https://www.adb.org/site/disclosure/appeals

ACCOUNTABILITY MECHANISM OF ADB

The Accountability Mechanism is an independent complaint mechanism and fact-finding body for people who believe they are likely to be, or have been, adversely affected by an Asian Development Bank-financed project. If you submit a complaint to the Accountability Mechanism, they may investigate to assess whether the Asian Development Bank is following its own policies and procedures for preventing harm to people or the environment. You can learn more about the Accountability Mechanism and how to file a complaint at: http://www.adb.org/site/accountability-mechanism/main.
