Voting Date	2019-10-15
Borrower	People's Republic of China
Sectors	Agriculture and Forestry, Water and Sanitation
Investment Type(s)	Advisory Services
Investment Amount (USD)	$ 0.23 million
Project Cost (USD)	$ 0.23 million

Project Description

According to the bank document, the small-scale knowledge and support technical assistance (TA) amounting to $225,000 will be financed on a grant basis by the People's Republic of China (PRC) Poverty Reduction and Regional Cooperation Fund (PRCF) and administered by the Asian Development Bank (ADB). The TA is aligned with the following impact: More developing member countries (DMCs) benefited from the Yangtze River Economic Belt (YREB) knowledge sharing with the partnership initiative established by the TA. The TA will have the following outcome: international partnership for the YREB knowledge sharing established. The TA has the following three outputs:

Output 1: International partnership initiative for knowledge sharing on natural capital investment in the YREB developed. T

Output 2: Workshops to develop the partnership and consultation on the initiative organized.

The potential international partners may include the Asian Infrastructure Investment Bank; Global Environment Facility; International River Foundation; World Bank; watershed management organizations; and related representatives from the governments, banks or institutes in the DMCs.

Output 3: Partnership initiative officially launched. After an agreement with international partners, this output will involve the hosting of a workshop in the PRC, such as the China Council for International Cooperation on Environment and Development's (CCICED) annual general meeting in mid-2020 or a side event at the Community of Practice's (COP15) Convention on Biodiversity tentatively scheduled in October 2020 in Kunming, Yunnan Province of the PRC.

ACCOUNTABILITY MECHANISM OF ADB

The Accountability Mechanism is an independent complaint mechanism and fact-finding body for people who believe they are likely to be, or have been, adversely affected by an Asian Development Bank-financed project. If you submit a complaint to the Accountability Mechanism, they may investigate to assess whether the Asian Development Bank is following its own policies and procedures for preventing harm to people or the environment. You can learn more about the Accountability Mechanism and how to file a complaint at: http://www.adb.org/site/accountability-mechanism/main
