## Project Description

According to ADB website, the Subproject 1 TA aims to mainstream impact evaluation (IE) to improve the development effectiveness of project and policy interventions in Asian Development Bank developing member countries (DMCs). The TA will support (i) the conduct of at least five IE study phases/surveys applying various methodologies and survey instruments, and (ii) the development of IE awareness and capacity among the DMCs.

## Investment Description

- Asian Development Bank (ADB)

## Contact Information

Executing Agency: Asian Development Bank

### **ACCOUNTABILITY MECHANISM OF ADB**

The Accountability Mechanism is an independent complaint mechanism and fact-finding body for people who believe they are likely to be, or have been, adversely affected by an Asian Development Bank-financed project. If you submit a complaint to the Accountability Mechanism, they may investigate to assess whether the Asian Development Bank is following its own policies and procedures for preventing harm to people or the environment. You can learn more about the Accountability Mechanism and how to file a complaint at: <http://www.adb.org/site/accountability-mechanism/main>
