## **Project Description**

According to bank documents, "the TA is aligned with enhanced government capacity and leadership in social protection development in selected Pacific developing member countries.

The outcomes of the project would be:

- 1) Gender responsive social protection policies and investments identified and prioritized.
- 2) Capacity in building social protection systems and delivery of social protection services for vulnerable groups improved.
- 3) Knowledge production and partnerships on social protection strengthened."

#### ACCOUNTABILITY MECHANISM OF ADB

The Accountability Mechanism is an independent complaint mechanism and fact-finding body for people who believe they are likely to be, or have been, adversely affected by an Asian Development Bank-financed project. If you submit a complaint to the Accountability Mechanism, they may investigate to assess whether the Asian Development Bank is following its own policies and procedures for preventing harm to people or the environment. You can learn more about the Accountability Mechanism and how to file a complaint at: http://www.adb.org/site/accountability-mechanism/main
