### Project Description

According to Bank documents, this project provides technical assistance to support urban planning and development in Central and West Asia. Outputs from this project include preparing national urban assessments aligned with the ADB's Country Partnership Strategy cycle, and strengthening project identification, formulation, preparation and implementation.

## Investment Description

- Asian Development Bank (ADB)

## Contact Information

**Responsible ADB Officer:** Xijie Lu

## ACCOUNTABILITY MECHANISM OF ADB

The Accountability Mechanism is an independent complaint mechanism and fact-finding body for people who believe they are likely to be, or have been, adversely affected by an Asian Development Bank-financed project. If you submit a complaint to the Accountability Mechanism, they may investigate to assess whether the Asian Development Bank is following its own policies and procedures for preventing harm to people or the environment. You can learn more about the Accountability Mechanism and how to file a complaint at: <http://www.adb.org/site/accountability-mechanism/main>
