Project Description

According to the Bank’s website, the project will contribute to Te Kete: Tuvalu’s National Strategy for Sustainable Development 2021 to 2030 and its goal to “increased access to clean water and sanitation”. Te Kete highlights the water and sanitation issues facing Funafuti, the impact of these issues on the urban poor, and stresses the need for improved water management and sanitation infrastructure.

Early Warning System Project Analysis

The majority of the project will utilize lands that are already leased or owned by the Crown or a Falekaupule. Temporary impacts are expected during installation of the pipe network, which will be in line with the existing road network.

The outputs of the project will not have impacts on any distinct and vulnerable groups of Indigenous Peoples as defined under ADB SPS.

ACCESS TO INFORMATION

You can submit an information request for project information at: https://www.adb.org/forms/request-information-form

ADB has a two-stage appeals process for requesters who believe that ADB has denied their request for information in violation of its Access to Information Policy. You can learn more about filing an appeal at: https://www.adb.org/site/disclosure/appeals

ACCOUNTABILITY MECHANISM OF ADB

The Accountability Mechanism is an independent complaint mechanism and fact-finding body for people who believe they are likely to be, or have been, adversely affected by an Asian Development Bank-financed project. If you submit a complaint to the Accountability Mechanism, they may investigate to assess whether the Asian Development Bank is following its own policies and procedures for preventing harm to people or the environment. You can learn more about the Accountability Mechanism and how to file a complaint at: http://www.adb.org/site/accountability-mechanism/main.
