### Project Description

According to the bank website, "The program, comprising three subprograms, targets improvements in the operational performance and financial sustainability of state-owned enterprises (SOEs) and helps strengthen service delivery. Policy reforms improve the legislative and policy framework for SOEs, the governance and transparency of SOEs, and financial sustainability of specific SOEs. Policy actions achieved under subprogram 1 have been sustained and are built upon by subprogram 2 actions."

### ACCESS TO INFORMATION

You can submit an information request for project information at: <https://www.adb.org/forms/request-information-form>

ADB has a two-stage appeals process for requesters who believe that ADB has denied their request for information in violation of its Access to Information Policy. You can learn more about filing an appeal at: <https://www.adb.org/site/disclosure/appeals>

### ACCOUNTABILITY MECHANISM OF ADB

The Accountability Mechanism is an independent complaint mechanism and fact-finding body for people who believe they are likely to be, or have been, adversely affected by an Asian Development Bank-financed project. If you submit a complaint to the Accountability Mechanism, they may investigate to assess whether the Asian Development Bank is following its own policies and procedures for preventing harm to people or the environment. You can learn more about the Accountability Mechanism and how to file a complaint at: <http://www.adb.org/site/accountability-mechanism/main>.
