Project Description

According to the Bank’s website, the project will support inclusive, resilient, and sustainable urban infrastructure and services in four secondary cities (Djizzak, Havast, Khiva, and Yangiyer) experiencing low livability and lagging growth exacerbated by the coronavirus disease (COVID-19) pandemic. It will demonstrate integrated and innovative solutions, and strengthen institutional capacity for "building back better". These measures will (i) enhance livability for residents and visitors, including persons with disabilities; (ii) support green and resilient economic recovery targeting women; (iii) accelerate digital transformation, particularly in the tourism and water sectors; and (iv) increase the quality, coverage, efficiency, and reliability of urban services.

ACCESS TO INFORMATION

You can submit an information request for project information at: https://www.adb.org/forms/request-information-form

ADB has a two-stage appeals process for requesters who believe that ADB has denied their request for information in violation of its Access to Information Policy. You can learn more about filing an appeal at: https://www.adb.org/site/disclosure/appeals

ACCOUNTABILITY MECHANISM OF ADB

The Accountability Mechanism is an independent complaint mechanism and fact-finding body for people who believe they are likely to be, or have been, adversely affected by an Asian Development Bank-financed project. If you submit a complaint to the Accountability Mechanism, they may investigate to assess whether the Asian Development Bank is following its own policies and procedures for preventing harm to people or the environment. You can learn more about the Accountability Mechanism and how to file a complaint at: http://www.adb.org/site/accountability-mechanism/main.
