Strategic Research on Environmentally Sustainable Development of Paper Mulberry Ecological Agriculture and Pasturage in the Yellow River Basin

Strategic Research on Environmentally Sustainable Development of Paper Mulberry Ecological Agriculture and Pasturage in the Yellow River Basin

Quick Facts

Countries	China
Specific Location	Yellow River basin
Financial Institutions	Asian Development Bank (ADB)
Status	Active
Bank Risk Rating	U
Voting Date	2021-09-15
Borrower	Government of China
Sectors	Agriculture and Forestry, Law and Government, Technical Cooperation
Investment Type(s)	Fund, Grant
Investment Amount (USD)	$ 0.30 million
Project Cost (USD)	$ 0.30 million

Project Description

According to the Bank's website, the TA project will have the following outcome: high-quality green agricultural development opportunities through paper mulberry production in the Yellow River basin enhanced. The subproject will support the overall TA cluster outputs by (i) providing policy advice on supporting institutional, policy, and governance reforms to support paper mulberry production that has a potential to address sustainable and high-quality development issues in Yellow River basin (cluster output 1); (ii) developing innovative and nature-positive solution of promoting paper mulberry production that will address development constraints in the Yellow River basin (cluster output 2); and (iii) promoting knowledge generation and dissemination to build capacity of local government, farmers, private sector, and stakeholders to enable the nature-positive approach to be adopted and scaled-up (cluster output 3). When these elements are combined, it will support the preparation of a comprehensive strategy and action plan of promoting paper mulberry production to support environmentally sustainable development in the Yellow River basin.

Investment Description

- Asian Development Bank (ADB)

ACCESS TO INFORMATION

You can submit an information request for project information at: https://www.adb.org/forms/request-information-form

ADB has a two-stage appeals process for requesters who believe that ADB has denied their request for information in violation of its Access to Information Policy. You can learn more about filing an appeal at: https://www.adb.org/site/disclosure/appeals

ACCOUNTABILITY MECHANISM OF ADB

The Accountability Mechanism is an independent complaint mechanism and fact-finding body for people who believe they are likely to be, or have been, adversely affected by an Asian Development Bank-financed project. If you submit a complaint to the Accountability Mechanism, they may investigate to assess whether the Asian Development Bank is following its own policies and procedures for preventing harm to people or the environment. You can learn more about the Accountability Mechanism and how to file a complaint at: http://www.adb.org/site/accountability-mechanism/main.
