Project Description

Under this project ADB is going to support Turkmenistan based on the Government's national Strategic Action Plan to help build up medical school to college as a center of excellence and leading nursing institution in the country, and to develop and strengthen the national nursing program.

Project objectives

The proposed project has 3 outputs:

1. Modern nursing educational institution established;

2) Quality of nursing education improved;

3) Management of human resources for health strengthened.

PROJECT RATIONALE AND LINKAGE TO COUNTRY/REGIONAL STRATEGY

The Government of Turkmenistan has invited the Asian Development Bank (ADB) to support the health sector in the context of the Government's commitment to achieve Sustainable Development Goals (SDGs) by 2030. After a fast but less inclusive socioeconomic development, the country is facing an economic slowdown with fiscal constraints with likely impact on poverty and social development. This is aggravated by the recent COVID-19 Pandemic causing further economic hardships, including loss of employment and remittances from abroad.
