### **Project Description**

According to project documents, "the TA (technical assistance) will be aligned with helping Pakistan assess and develop national and provincial testing and treatment plans for Hepatitis C Virus (HCV) and identifying barriers and bottlenecks for implementation of the National Hepatitis Strategic Framework.

The TA will support recruitment of experts to help with establishing the program for HCV.

The proposed program for HCV testing and treatment presents a unique opportunity to obtain lasting health impact for the general public, reach out to rural women, sustain impact by contributing to interruption of transmission and promotion of behavioral change, strengthen health services, which will result in major social and economic benefits."

## ACCOUNTABILITY MECHANISM OF ADB

The Accountability Mechanism is an independent complaint mechanism and fact-finding body for people who believe they are likely to be, or have been, adversely affected by an Asian Development Bank-financed project. If you submit a complaint to the Accountability Mechanism, they may investigate to assess whether the Asian Development Bank is following its own policies and procedures for preventing harm to people or the environment. You can learn more about the Accountability Mechanism and how to file a complaint at: <http://www.adb.org/site/accountability-mechanism/main>
