Binh Duong Water Treatment Expansion Project

Quick Facts

Countries	Vietnam
Financial Institutions	Asian Development Bank (ADB)
Status	Approved
Bank Risk Rating	B
Voting Date	2020-10-08
Borrower	Binh Duong Water Environment JSC
Sectors	Infrastructure, Water and Sanitation
Investment Type(s)	Loan
Loan Amount (USD)	\$ 8.00 million

Project Description

According to the bank website, "The Project involves the expansion by 100 million liters per day (MLD) water production capacity in the Tan Hiep Water Treatment Plant, Viet Nam. This capacity will serve domestic consumption and industrial zones in Ben Cat Town, Tan Uyen Town and Thu Dau Mot City. The expansion includes additional water intake pumps and 9 km of raw water transmission pipes from the Dong Nai River and the downstream distribution network. The total project cost will be \$[46] million, of which the upstream water intake work and raw water transmission, downstream distribution network connection and project preparation would cost \$[30] million and the additional water production capacity and works within the Tan Hiep Water Treatment Plan would be \$16 million."

Investment Description

- Asian Development Bank (ADB)

ACCESS TO INFORMATION

You can submit an information request for project information at: <https://www.adb.org/forms/request-information-form>

ADB has a two-stage appeals process for requesters who believe that ADB has denied their request for information in violation of its Access to Information Policy. You can learn more about filing an appeal at: <https://www.adb.org/site/disclosure/appeals>

ACCOUNTABILITY MECHANISM OF ADB

The Accountability Mechanism is an independent complaint mechanism and fact-finding body for people who believe they are likely to be, or have been, adversely affected by an Asian Development Bank-financed project. If you submit a complaint to the Accountability Mechanism, they may investigate to assess whether the Asian Development Bank is following its own policies and procedures for preventing harm to people or the environment. You can learn more about the Accountability Mechanism and how to file a complaint at: <http://www.adb.org/site/accountability-mechanism/main>.
