Project Description

According to the bank's website,the project "will provide project preparation support to a series of ensuing projects, comprising (i) Punjab Provincial Highway Project; (ii) Khyber Pakhtunkhwa Rural Road Development Project; and (iii) Sindh Provincial Road Improvement Project (Phase II). All ensuing projects aim to rehabilitate or upgrade existing provincial roads or rural roads while improving regional connectivity with neighboring provinces. Project identification and preliminary technical reviews are being carried out with either ongoing loan proceeds or the provincial government's own resources. The government has cleared the concept papers for these ensuing projects in the fourth quarter of 2019. The TA facility is required to conduct the relevant due diligence, improve project readiness, provide implementation support during the initial stage, and provide capacity building activities for the concerned executing and implementing agencies..."

ACCOUNTABILITY MECHANISM OF ADB

The Accountability Mechanism is an independent complaint mechanism and fact-finding body for people who believe they are likely to be, or have been, adversely affected by an Asian Development Bank-financed project. If you submit a complaint to the Accountability Mechanism, they may investigate to assess whether the Asian Development Bank is following its own policies and procedures for preventing harm to people or the environment. You can learn more about the Accountability Mechanism and how to file a complaint at: http://www.adb.org/site/accountability-mechanism/main
